

**REMARKS/ARGUMENTS**

**35 USC 112**

The Applicant has amended claims 1, 2, 3 and 7 to address the clarity issues raised by the Examiner.

**Priority**

The Applicant has filed herewith a petition to accept an unintentionally delayed claim under 35 U.S.C. 120. Conditional upon granting of the petition, the priority issue will be resolved.

**35 USC 102(b)**

The claims stand rejected as anticipated by Silverbrook US 6,247,792. As mentioned in the previous Office Action, US 6,247,792 stands on the priority line of the present application. Thus, conditional upon the granting of the co-filed petition, the Examiner's rejection of the claims on the basis of the '792 patent will have to be withdrawn.

**Summary**

This response is fully responsive to each of the issues raised in the Office Action with the Applicant submitting that the application is placed in condition for allowance by the amendments proposed and by the petition in respect of the priority claim. Further consideration of the application is therefore respectfully requested.

Very respectfully,

Applicant:
